Summer's coming and it's going to be Hot!

Hello and welcome from the 2016- 17 edition of the Saint Augustine Shores Civic Association Board of Directors. I am James Priester and have been re-elected president of the board. Serving with me is James O'Such as vice president, Claire Lorbeer as treasurer, and Sue Chitwood as secretary. Also serving are Winston Burrell and new board members Janet Cassford and Philip Van Tiem as directors.

Meetings continue to be on the second Thursday of every month at 7 PM at the Riverview club and I invite you to attend. This is going to be an exciting year, looking forward as St. Augustine Shores continues to be a premier housing destination in St. Johns County. Please visit our website for valuable information, including the current Board of Directors. 48 hours prior to each meeting, the agenda of what will be covered at the meeting is posted for your review.

Remember, our web address is www.staugshores.org. I would like to call your attention under the Board of Directors tab at the website to the Service Corp. Committees. These committees are your avenues to participate in the active management of our community. When you find a committee that interests you, contact me at mailto:president@staugshores.net. The Riverview club facilities and grounds committee was chaired last year by Rachel Diamond and has considerably upgraded the condition of the Riverview Club as well as continues to improve the Club Activities. If you haven't been down here recently please stop by and have a look.

The RV and boat storage committee chaired by Sue Chitwood is in the process of reviewing best practices and procedures used to ensure that our RV and Boat Storage compound is managed and maintained in the best condition that it possibly can be in. This committee is next scheduled to meet at 6pm on Monday August 8th. These meetings are scheduled for the Monday immediately before the Thursday of the board meetings.

Another important committee is the safety and deed restriction enforcement committee; chaired by James O'Such. I welcome your input and ideas as to how we can achieve the goal of having the most attractive and well maintained community in St. Johns County. We will announce when this committee will be meeting.

As with all new Boards ours continues to seek volunteers for the above mentioned committees as well as new ones we need to form as we continue to grow and improve. Please contact me at President@ staugshores.net if you would like serve on any one of our committees. As you can see, we are very busy this year so it is more important than ever for us to receive your input regarding management issues.

Remember, this is your community I look forward to seeing you at the next meeting which will be June 9th.
Sincerely,

Jim Priester
President
